

# Flushing Restoration Foundation

was established in 2010 to raise funds totaling \$400,000 to support the renovation and restoration of the former city hall and library which will become a civic and cultural center for the Flushing area. When the project is complete, the community will see a thriving facility that everyone will be able to enjoy.

- I would love to be a part of this exciting project by purchasing a \$100.00 brick.  
*All donations are tax deductible. Please make check payable to: Flushing Restoration Foundation.*  
Please letter my brick as follows (up to 13 characters per line - 3 line maximum).

The bricks will be placed on the sidewalks leading to the front of the building. Please give us your name, address, phone and email in case we have questions on the lettering of your brick.
